News Release

County Line Road Milling and Resurfacing

Madison, AL – The City of Madison would like to inform residents that beginning Tuesday, October 8, 2013, contractors for the Alabama Department of Transportation will begin milling and resurfacing work along County Line Road between Mill Road and the northern City limits.

This project is part of the Alabama Transportation Rehabilitation and Improvement Program (ATRIP) and has an estimated completion timeframe of 75 working days.

Please use caution and expect changing road conditions and potential delays due to possible lane closures and lowered speed limits.

If you have any questions or need additional information, please contact the City of Madison Engineering Department at 256-772-8431 or by email at jenny.spain@madisonal.gov.
